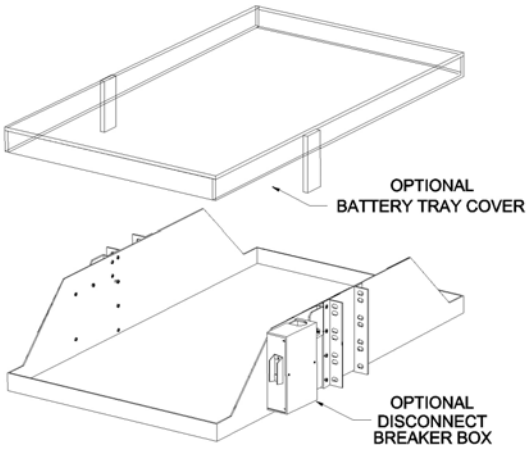
SOUTHWESTERN BATTERY SUPPLY COMPANY, INC.

19 and 23 Inch BATTERY TRAYS For Relay Rack Mounting

Effective April 24, 2008



General Specifications

Southwestern Battery Supply Co. Inc. battery trays are manufactured to the highest standards providing an extremely rugged and durable battery tray. Trays are available in both 19 inch and 23 inch models, and can be both rack and cabinet mounted. Mount extensions are available for the 19 inch model, to allow mounting in a 23 inch rack space.

.

Features of Battery Trays

* Heavy Duty 12 gauge cold roll steel construction.
* Baked Powder coated finish, ANSI-61 gray.
* Available in 19 and 23 inch widths.
* Extensions for mounting 19 inch tray in 23 inch rack.
* Optional tray mounted Disconnect/ Breaker box.
* Optional Tray Mount Lexan® Battery Tray cover.
* Accommodates top/ front termination style batteries.
